

Task 2

Task

Please try to configure Internet Explorer browser and Chrome Browser. We will do the same in the session as well. But before that try to check on the exception you're getting.

Code

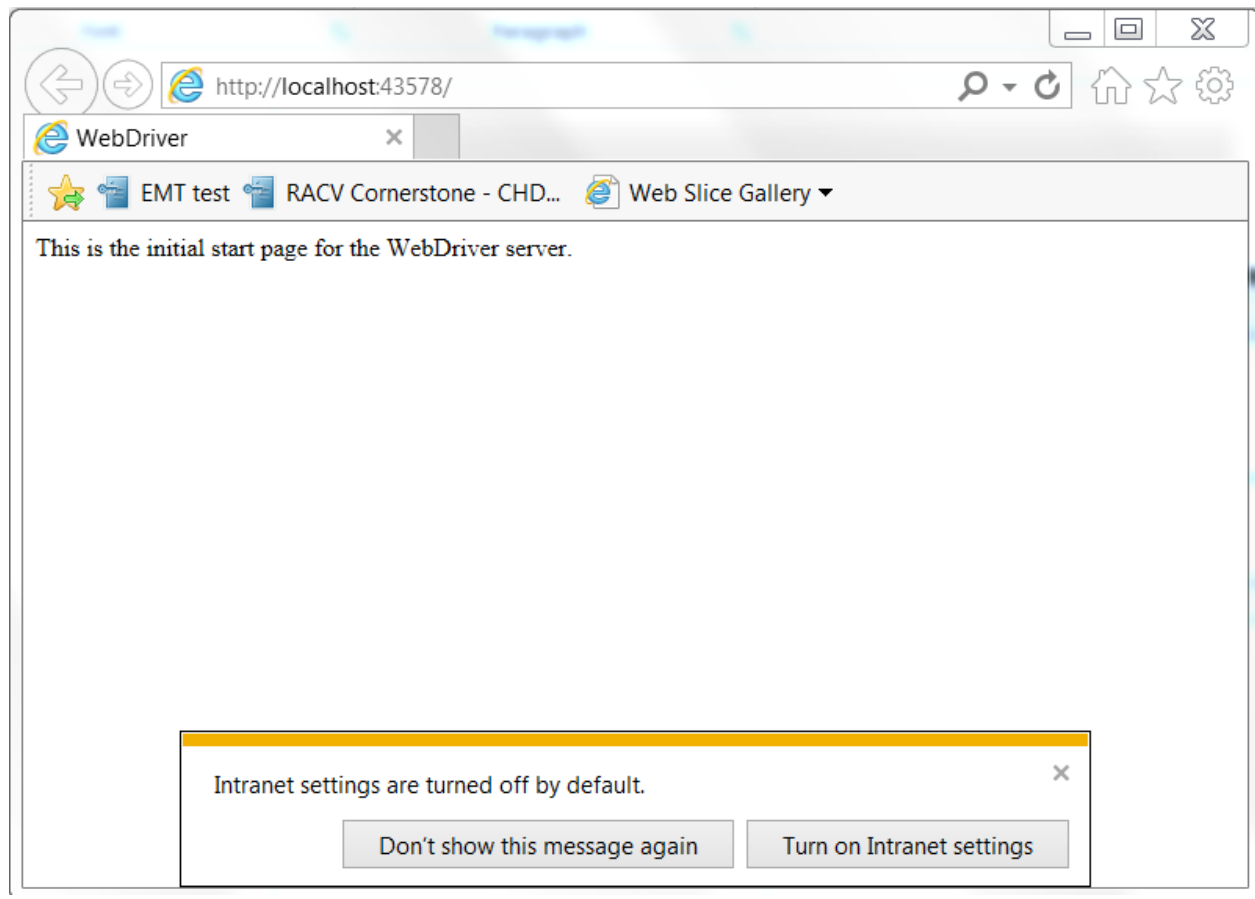

```
1 myPackage;
2
3 org.openqa.selenium.WebDriver;
4 org.openqa.selenium.ie.InternetExplorerDriver;
5 t org.openqa.selenium.chrome.ChromeDriver;
6
7 class InterExpConfig {
8
9 //
10
11 //System.setProperty("webdriver.ie.driver", "C:\\Users\\IBM_ADMIN\\Desktop\\IEDriverServer\\IEDriverServer.exe");
12
13 WebDriver driver=new InternetExplorerDriver();
14
15
16
17
18
```
